Brisbane's Sister Cities

Brisbane's sister city relationships form the foundation of the city's international partnerships. Lord Mayoral business missions

The Lord Mayor leads delegations to sister cities and strategic trade regions to develop and strengthen business ties. These business missions have a strong in-market reputation for opening doors for Brisbane businesses to key international markets. The itinerary includes government meetings, business forums, in-market briefings, networking events, site visits and pre-scheduled introductory business meetings.

Asia Pacific Cities Summit (APCS) and Mayors' Forum

The biennial Asia Pacific Cities Summit (APCS) and Mayors' Forum is one of the region's premier business and civic forums. The APCS provides a key platform for Brisbane-based businesses to connect with more than 1000 global city, industry and business leaders from across the Asia Pacific region to share ideas and identify business opportunities. For more information, visit www.apcsummit.org
